I was called last nigh by Alec Peltier of CA/OCS/EMR. He informed me that UPI ran an article stating that a Salvadoran named Juan Jose Dalton, described as a former guerrilla residing in Mexico City, said the Salvadoran Army is holding John Sullivan alive in a jail in El Salvador. No other details are available. The Department and Mexico City will provide us with more information.

In the meantime, through Embassy sources I am trying to find out who this Juan Jose Dalton is.
